Challenge: Merging

Test your understanding of "merging" by completing the following challenge.

We'll cover the following   ∧

- Problem statement
- Solution

Problem statement

Initialize a repository, commit a file, make changes on two branches, and merge. Create a merge knowing there will be a conflict and understand what you need to do to resolve it.
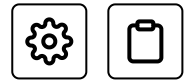

Terminal 1   ⟳

Terminal   ∧

Click to Connect...

⚙ 📋

Solution

Click the "Show Solution" button to learn about the solution.
